ABOUT ME

Hello and happy to be here!

I'm delighted to introduce myself and my design company, which was born from a love of Alaska. As an Alaskan-based artist and a proud National Park Service employee, protecting, preserving, and celebrating our beautiful lands the inspiration behind my brand.

With a unique blend of contemporary trends and timeless vintage concepts, my design collection is for fellow Alaska lovers who also find endless inspiration in these wild landscapes!

I am thrilled to present my 2025 collection to the Dancing Leaf Gallery! It's an absolute honor and dream come true being a featured artist in Downtown Talkeetna's premiere gallery. Thank you for considering my designs and cheers to a beautiful 2025 season!

Happy Trails ☺
